KOA STATEMENT ON THE DEMISE OF DR ALLAN THUMBI NGUGI

It is yet another tragedy that has fallen on KOA fraternity. Death has again ripped us of Dr Allan Thumbi Ngugi who until his death was an Orthopaedic Surgeon at Kenyatta National Hospital and an active member of Kenya Orthopaedic Association. Dr. Allan Ngugi was a diligent doctor, a friend and worked well with his colleagues both senior and junior. He was not only a surgeon, but among other things a profoundly devoted husband and a father.

I thank you all for your kindness and support to the family during this difficult time.

A person that departs from this earth never truly leaves, for they are still alive in our hearts and through us, they live on.

Our deepest sympathies go out to the family and friends. May God give you the peace that you seek.

Sincerely,

Honorary chairman,

Dr. Peter Kilonzo.
